

Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

Section 1: Definition of a complaint

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
1.2	A complaint must be defined as: <i>‘an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.’</i>	Yes	Complaints, Concerns and Compliments Policy	As per section 4.1. Definition of a Complaint in the Complaints, Concerns and Compliments policy (‘policy’).
1.3	A resident does not have to use the word ‘complaint’ for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord’s complaints policy.	Yes	Complaints, Concerns and Compliments Policy	As per section 4.1. Definition of a Complaint of the policy: “Abbeyfield recognises that the word complaint does not have to be used in order for it to be treated as such. While this in line with the landlord’s complaints policy. policy is aimed at residents or their representatives, the above definition is extended to cover an expression of dissatisfaction from any stakeholder affected by the standard of service, actions or lack of action from The Abbeyfield Living Society or those working for us
1.4	Landlords must recognise the difference between a service request and a	Yes	Complaints, Concerns and Compliments Policy	As per section 4.1. Definition of a Complaint of

	complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service requests are not complaints, but must be recorded, monitored and reviewed regularly.			the policy: “A service request may precede a formal complaint if appropriate action is not taken to resolve the issue for residents as early as possible. A complaint will be raised when the resident raises dissatisfaction with the response to their service request. “
1.5	A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. Landlords must not stop their efforts to address the service request if the resident complains.	Yes	Complaints, Concerns and Compliments Policy	Our complaints policy follows the complaints definition and any expression of dissatisfaction as a result will follow the complaints route
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	Yes	social-housing-survey-september-2024_a4.pdf	The annual Housing Residents’ Satisfaction Survey is anonymous – however, there is space for respondents to provide their name and the name of their service (“As the survey is anonymous, we will not be able to identify which service or resident the response is from. If you would like us to follow up on any specific aspects of your response, please let us know your name and contact details, as

Section 2: Exclusions

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
2.1	Landlords must accept a complaint unless there is a valid reason not to do so. If landlords decide not to accept a complaint they must be able to evidence their reasoning. Each complaint must be considered on its own merits	Yes	Complaints, Concerns and Compliments Policy	As per section 4.1. Definition of a Complaint of the policy: "Aside from the Exclusions given under 'Scope', Abbeyfield will treat any 'expression of dissatisfaction' as a complaint under this policy to ensure the identified issue is investigated and responded to appropriately.
2.2	<p>A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents. Acceptable exclusions include:</p> <ul style="list-style-type: none"> • The issue giving rise to the complaint occurred over twelve months ago. • Legal proceedings have started. This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court. • Matters that have previously been considered under the complaints policy. 	Yes	Complaints, Concerns and Compliments Policy	As per section 3. Scope of the policy: "In rare circumstances, Abbeyfield reserves the right to deal with a complaint differently (outside the normal complaints handling process) if required. A full record of the reasons why the complaint should be addressed differently will be made and the complainant informed accordingly. The complainant will also be informed of their right to take that decision to the relevant Ombudsman, as applicable."

2.3	Landlords must accept complaints referred to them within 12 months of the issue occurring or the resident becoming aware of the issue, unless they are excluded on other grounds. Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	This is covered in the 'Time Limits' section of our policy at section 4.8
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	We set out our position on this in section 3.1 of our policy
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	Our Complaints policy sets out our commitment to actively encouraging complaints to learn about our strengths and understand our areas for focus

Section 3: Accessibility and Awareness

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
3.1	Landlords must make it easy for residents to complain by providing different channels through which they can make a complaint. Landlords must consider their duties under the Equality Act 2010 and anticipate the needs and reasonable adjustments of residents who may need to access the complaints process.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	As per section 4.5 Reasonable adjustments of the policy: "If the individual has difficulty in making a complaint using one of the options listed above, Abbeyfield will make all reasonable adjustments necessary to enable them to raise their complaint. All staff are required to undertake mandatory Equality, Diversity, and Inclusion training.
3.2	Residents must be able to raise their complaints in any way and with any member of staff. All staff must be aware of the complaints process and be able to pass details of the complaint to the appropriate person within the landlord.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	As per section 4.4 Making a Complaint of the policy. Routes are via the website, by email, post, telephone (which is managed by Senior Response), through a representative using any of the above channels, or in person to any member of staff who will pass onto the Complaints team.
3.3	High volumes of complaints must not be seen as a negative, as they can be indicative of a well-publicised and accessible complaints process. Low	Yes	<u>Making a Complaint Guide</u>	We publish our 'Making a Complaint' guide on our website and have copies in all our locations for residents which residents can collect

3.4	Landlords must make their complaint policy available in a clear and accessible format for all residents. This will detail the two stage process, what will happen at each stage, and the timeframes for responding. The policy must also be published on the landlord's website.	Yes	Complaints, Concerns and Compliments Policy Making a Complaint Guide	Our two-stage process, including its timeframes are included in our Complaints policy, within our 'Making a Complaint' guide and available via our website in a dedicated section.

4.1	Landlords must have a person or team assigned to take responsibility for complaint handling, including liaison with the Ombudsman and ensuring complaints are reported to the governing body (or equivalent). This Code will refer to that person or team as the 'complaints officer'. This role may be in addition to other duties.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	as per section 4.15 Responsibilities of the policy: "The central complaints process is administered through the Complaints Officer, who has delegated responsibility from the Customer Operations Director. The Complaints Officer is the Complaints Manager."

They must also have the authority and autonomy to act to resolve disputes promptly and fairly.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	As per section 4.15 Responsibilities of the policy: "The Complaints Officer will direct all complaints received to the appropriate manager for investigation. Each manager is responsible for addressing complaints within their area of responsibility, unless there is a conflict of interest in which case another senior manager would

				investigate the issues raised. " While Regional Operations Managers handle complaints for their services, we would reallocate complaints to alternative investigators where a conflict of interest is identified
4.3	Landlords are expected to prioritise complaint handling and a culture of learning from complaints. All relevant staff must be suitably trained in the importance of complaint handling. It is important that complaints are seen as a core service and must be resourced to handle complaints effectively	Yes	https://360.articulate.com/review/content/d94f6244-393c-474e-a03d-97595e060614/review	The Complaints Officer, Regional Operations Managers act sensitively and fairly, have access to staff at all levels, and have the authority and autonomy to resolve disputes. Section 5: The Complaint Handling Process

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
5.1	Landlords must have a single policy in place for dealing with complaints covered by this Code. Residents must not be treated differently if they complain.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	We operate a single complaints policy across all our services
5.2	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	We operate a two-stage complaints policy to support early and local resolution to support effective complaint handling
5.3	A process with more than two stages is not acceptable under any circumstances as this will make the complaint process unduly long and delay access to the Ombudsman.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	We operate a two-stage complaints policy to support early and local resolution to support effective complaint handling
5.4	Where a landlord's complaint response is handled by a third party (e.g. a contractor or independent adjudicator) at any stage, it must form part of the two stage complaints process set out in this Code. 5.6	When a complaint is logged at Stage 1 or escalated to Stage 2, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. Yes	Complaints, Concerns and Compliments Policy Addressing a Complaint Standard Operating Procedure	As per our procedure: “The complaint acknowledgement will also set out the understanding of the complaint and the outcomes the complainant is seeking. Section 6: Complaints Stages

Stage 1

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
6.1	Landlords must have processes in place to consider which complaints can be responded to as early as possible, and which require further investigation. Landlords must consider factors such as the complexity of the complaint and whether the resident is vulnerable or at risk. Most stage 1 complaints can be resolved promptly, and an explanation, apology or resolution provided to the resident.	Yes	Complaints, Concerns and Compliments Policy Addressing a Complaint Standard Operating Procedure	Our processes and procedures ensure when a complaint is received that it is reviewed fully and carefully considered, where opportunities arise to quickly resolve & respond to a complaint at stage 1, this will be actioned.
6.2	Complaints must be acknowledged, defined and logged at stage 1 of the complaints procedure <u>within five working days of the complaint being received.</u>	Yes	Complaints, Concerns and Compliments Policy	As per section 4.10 Timescales of the policy “Written acknowledgement within two working days of receipt of the complaint”, which is monitored as a Complaints Handling KPI. In 2024, 98% of complaints were acknowledged within two working days in line with our policy. Where our policy was not met, all complaints were acknowledged within five days of receipt (as per the Code)

6.3	Landlords must issue a full response to stage 1 complaints <u>within 10 working days</u> of the complaint being acknowledged.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	As per section 4.10 Timescales of the policy: "Stage 1 decision - a full written response will be provided within 10 working days of the acknowledgement. If this is not possible, Abbeyfield will contact the complainant, explain why, and agree a new response time, which will only exceed a further 10 days by exception."
6.4	Landlords must decide whether an extension to this timescale is needed when considering the complexity of the complaint and then inform the resident of the expected timescale for response. Any extension must be no more than 10 working days without good reason, and the reason(s) must be clearly explained to the resident.	Yes	<u>Complaints, Concerns and Compliments Policy</u>	As per section 4.10 Timescales of the policy: "Stage 1 decision - a full written response will be provided within 10 working days of the acknowledgement. 6.8	Where residents raise additional complaints during the investigation, these must be incorporated into the stage 1 response if they are related and the stage 1 response has not been issued. Where the stage 1 response has been issued, the new issues are unrelated to the issues already being investigated or it would unreasonably delay the response, the new issues must be logged as a new complaint.
